MANUAL DE INSTRUCCIONES

INSTRUCCIONES DE ARMADO

Paso 1: Ensamble los 2 travesaños **4** a la cubierta **3**. Para esto utilice 6 tornillos **C**.

Paso 2: Con ayuda de la llave allen **1** y utilizando 4 pernos **E**, una el travesaño **6** a los laterales **1** y **2**.

Paso 3: Una la estructura armada en el paso 1 a la armada en el paso 2. Para esto use 8 pernos **A**.

Paso 4: Utilice 3 pernos **B** para unir el respaldo **5** al resto del escritorio.
